

Area Villages To Hold Elections Next Tuesday

Villages and cities will hold their regular municipal elections next Tuesday, April 18.

In this area there will be elections at Frankfort, Mokena, New Lenox and Orland Park.

Frankfort will elect three trustees to the village board and voters there also will receive a separate ballot on which they can write in the names of two library directors.

The terms of Mrs. Pearl Chenery and Ralph Dralle, originally elected for one-year terms, expire on April 11. The persons elected to the library board next Tuesday will serve for six years.

On the village board the terms of John Topp, Clyde Reils and Robert Dean expire this year. Topp and Reils did not choose to seek re-election.

Dean, who is chairman of the village finance committee, is a candidate for re-election and is running on Independent No. 1 ticket, Wayne DePorto, a former member of the village board and rural mail carrier, and Nicholas Fisher.

There are two other tickets listed on the ballot, Peoples and Independent. The Peoples candidates are, Wilbur Klier, a former board member; Walter W. Mark, grocer, and Howard (Jerry) Osmus, manager Hedges Clinic. There is but one candidate listed on the Independent ticket, George A. Zwolinski, who has been a

candidate in previous elections. The Village Hall is the polling place.

At New Lenox a mayor, a village clerk, and three village trustees are to be elected, and none of the incumbents are seeking re-election.

Mayor Stanley Gilmore and Trustee Chester Bowman have retired and are moving away from New Lenox. Trustee Charles Drotts decided against seeking another term as did Robert McCleary, village clerk.

There are three candidates running for mayor:

Ben A. Thomas; Joseph A. Hartung and Eugene W. Hunt. Thomas is an insurance man, Hartung a merchant and Hunt, a railroadman and former village trustee.

There are two candidates for village clerk, Marjorie Wajchert, wife of Chief of Police Joseph Wajchert, and W.I. (Jack) Carpenter, an architectural draftsman.

There are to be three trustees elected. There are seven candidates, Earl W. Schroeder, Earl C. Montgomery, Francis J. (Bing) Miller, Robert Wysock, Gary D. McAlvey, John S. Techman and Gerald F. Humphrey. The fire station on Church Street is the polling place.

At Mokena there are four names listed for the three places to elect trustees, but one of them, Bruce T. Shoop has moved away and no longer eligible to serve. When he received notice that he

was to be transferred it was beyond the deadline under which his name could have been removed from the ballot. The three candidates left on the ballot, eligible to hold office are, Henry I. Clark, incumbent; Anthony A. Dina Sr., and Edward L. Haislet. The polling place is the Village Hall on Front Street.

At Orland Park three trustees are to be elected and four are incumbents. Three of them are incumbents seeking re-election, Henry L. Moorehouse, W. Joe Henely, and Anthony F. Kozak. The other candidate is Roy Benson, a real estate dealer and former justice of the peace.

Moorehouse, head of the licensing committee, Henely, head of the health committee and Kuzak, head of the building committee, are running on their records and service to the village. Moorehouse is a former member of the Orland Grade School board.

The two candidates for the Orland library board are, M. Lucille Schutte and Charlotte Helliwell.

There will be three polling places this year: No. 1, Village Hall, 14415 Beacon St.; No. 2 Municipal Bldg., 15045 West Av.; No. 3, Orland Center School, 151st St. and 94th Av.

Voting will be from 6 a.m. to 6 p.m. in all municipal elections. Taverns must close during the hours the polls are open.

NEWLY ELECTED OFFICERS of the Mokena Garden Club are 1. to r.: Mrs. Elizabeth Beebe, president; Mrs. Elaine Armstrong, first vice-pres.; and second vice-pres. Mrs. Belle Holleman. Seated is Mrs. Joan Sak, Secretary-treasurer.

The club is sponsoring a flower show to be held at the VFW Hall, Wolf Rd., Mokena, on June 14 and 15.

High School Final Music Contests At L-W Saturday

Class AA and Class A high school musical organization will compete for final state honors this Saturday (April 15) at Lincoln-Way High.

Classes are determined by school population. Class A is from 1,200 to 1,500 and those with more than 1,500 pupils are designated as Class AA.

According to Robert Taylor, head of the Lincoln-Way music department and host to the visiting musicians, there are 22 schools that will be represented in Saturday's contests with a total of 36 entries.

There are but five schools including Lincoln-Way, in Class A. The other participants are Double-A schools.

As far as the sweepstakes

in Class A are concerned Lincoln-Way has already piled up enough points to win the event. Joliet East is next but can't overtake the Knights.

The battle for sweepstakes honors will be in the Class AA division. Joliet Central has an 18-point lead to date over Oak Lawn. However, Joliet Central has but two entries in the competition Saturday, its band and boys chorus. Oak Lawn will be represented by three organizations, its band, a mixed chorus and a girls' chorus.

Under the point system a superior rating for a band, an orchestra or a mixed chorus is good for 20 points and an excellent is 10 points; a superior rating for a boys or girls chorus is 16 points and an excellent is 8 points.

According to those in charge if Joliet Central and Oak Lawn each get superior ratings for each of its entries, Oak Lawn would win the sweepstakes in Double-A by two points.

The Lincoln-Way band will play at 8 a.m.; its mixed chorus will sing at 9:15; the girls chorus is on at 9:45 and the boys chorus at 10 o'clock.

Sandburg, a Double-A school, has a girls chorus and its band entered. The chorus will sing at 11 a.m. and the band will play at 1:30 p.m.

Tinley Park, another Class AA school, will be represented by its band, mixed chorus and girls chorus. The girls chorus will sing at 11:15 a.m.; the band will play at 12:30 o'clock and the mixed chorus will sing at 3:45.

Joliet Central band will be the last to play -- at 5 p.m.

Frankfort, Mokena Bands Win Awards

The Frankfort and Mokena grade school bands, under the direction of Perry Friedman, received superior rating when they performed on Saturday, April 8, at the Frankfort grade school, for the Illinois Grade School Band and Orchestra Association.

Frankfort received a First Division in Class "E" competition, while Mokena was awarded First Division in Class "D" competition. The class is determined by the

school population.

This was Frankfort's tenth superior rating in a row, and Mokena's third superior rating in three consecutive years. An estimated 260 children competed in Saturday's contest. About 90 adults attended.

Both towns will compete in the State final contest for Class D and E at Peotone on Saturday, April 29 at the grade school. The public is invited to attend.

Elect Junior College Board This Saturday

Voters of the Lincoln-Way High School district will join with those in the other sections of the newly established tri-county junior college district this Saturday, April 15 to select a seven-member board of education.

They will use the same polling places they ordinarily use in high school elections. When the district was established it was necessary to change some of the precincts because the law required a separation of votes in incorporated and unincorporated area. That has no bearing in the board election.

The polling places to be used Saturday in the Lincoln-Way district are:

Pct. 34 -- Frankfort Grade School, Oregon St., all territory in L-W Dist. located in the Frankfort Grade School District 157-C.

Pct. 35 -- Mokena Public School, Carpenter Street, for all territory in the L-W Dist. in the Mokena Grade School District 159.

Pct. 36 -- Ann Rutledge School, 80th Av., Lincoln Estates, all territory in L-W Dist. situated in Grade School District 56-C.

Pct. 37 -- Haven School, Haven Street, New Lenox, for all territory in L-W Dist. in New Lenox Grade School District 122.

Pct. 38 -- Manhattan Public School, Second St., all territory in L-W Dist. lying in Manhattan Grade School District 114.

There are 35 candidates

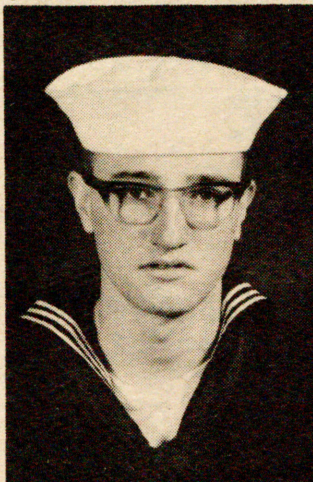

for the seven posts.

Four of the candidates are from the area, Ronald Whitaker, New Lenox; William Welsh, Mokena; W. Leonard Patterson, Frankfort and Jasper (Jay) C. Tromp, of Manhattan.

The others are: William Glasscock, Rt. 3, Joliet; Daniel Kennedy, Joliet; Claude H. Hogan Sr., Wilmington; John R. Rogers, Joliet; Arthur V. Roston, Minooka; Samuel Saxon, Plainfield; Charles W. Westfall, Joliet; Dr. Cecil Ingmire, Joliet; H.A. Holler, Mazon; Gerald Sampson, Morris; John P. O'Hara, Romeoville; James F. Bell, Joliet; William F. Stelow, Joliet; Richard J. Donahue, Joliet; Charles Hammond, Custer Park; Fred Holt, Joliet; Myron R. Holmgren, Joliet; John J. Zerboglio, Coal City; John L. Davis, Joliet; W. Howard Lloyd, Joliet; Barry S. Seng, Morris; James E. Garrison, Joliet; Fred Ludeman Jr., Lockport; Al Levering, Joliet; Edwin W. Hendry, Joliet; David G. Sandahl, Joliet; Victor Scott, Joliet; Ted Mackey, Joliet; Arthur E. O'Neil, Joliet; Joseph E. Van

Duynem Wilmington.

One may vote for seven candidates. A ballot is counted as spoiled if more than seven candidates are selected. Not more than five can be elected from incorporated area. At least two must come from unincorporated areas.

SEAMAN Recruit Lawrence H. Kelch, USN, son of Mr. and Mrs. Charles A. Kelch, Thomas Court, Mokena, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill.

State To Push Work On I-80

Supervisor John E. Francis of New Lenox says that state highway engineers are saying that traffic will be rolling on I-80 between Hazelcrest and Joliet by Dec. 8. The terrain is more or

less flat and paving should proceed speedily, it was said.

It is quite possible that the cloverleaf at U.S. 45 will not be completed by that time but there will be ac-

cess to I-80 at Harlem Av. in Tinley Park and it is expected that the access road west of New Lenox of U.S. 30 will be ready.

There is work going forward on this access road now. Rock is being blasted there and is then being hauled by Braun and Lambrecht to fill the spot near U.S. 45 and 187th St. where peat has been removed. The rock will replace the peat there and thus give the highway a foundation.

The access road off U.S. 30 will be like the one at U.S. 30 and I-55 near Plainfield. These intersections are considered to be quite dangerous as traffic coming off or entering on I-80 will have to cross thru traffic using U.S. 30.

Less talk is being heard now about the north-south road--No. 61, sometimes referred to as No. 53. There was talk that this would be built soon and the original plan called for its hook-up with I-80. Now the talk is that it will not go south of I-55 should the Homer area become part of a large airport development, it was said.

Insist On Polishing Ponds

Mokena Village Board, looking to the future when it will get a "do-it-now" order from the Illinois State Water Board, is considering the building of a pond adjacent to the sewage disposal plant. They used to call these oxidation ponds but for some reason this became a fighting word and the minute engineers said "oxidation pond" an embattled group of property owners immediately sprang to arms in protest.

The engineers always claimed that those opposing creation of such ponds on the grounds that they gave off offensive odors, smelled thru their eyes instead of their noses. They point out that now that such spots are called polishing ponds or finishing ponds, or a necessary-stage-in-clarifying effluent - from - disposal - works, the complaints about

New Lenox Board To Finish Work On Budget Wednesday

The New Lenox village board is scheduled to meet again next Wednesday night to work on the year's budget and take care of other matters that may be brought up at that time.

At its regular meeting last week practically all of the candidates for mayor, trustees and village clerk were on hand and Mayor Stanley Gilmore gave any of them who desired to do so the opportunity to ask questions and state views.

A mayor, three trustees and a village clerk will be elected next Tuesday and take office on May 1.

There was some discussion of a motel scheduled to be built west of New

Lenox on U.S. 30, east of the junction with I-80. Trustee Evans Drotts said he was informed that the motel would be part of a national organization and that it would cost approximately \$1.5-million.

The developers are said to be interested in annexing to the village to get sanitary sewer facilities and police protection. The case will go to the zoning board eventually for inquiry and recommendation, it was said.

John Mann, a New Lenox contractor, presented plans to the board for moving the bowling alley from its present location at Cedar Rd. and U.S. 30, to a lot just

west of Norfolk & Western underpass. An addition is planned which would accommodate a cocktail lounge and snack bar. This would be at the front of the building but the entrance to the bowling lanes would be at the side, so patrons of the alleys would not pass thru the bar section. Mann asked for some assurance from the board that he would be granted a liquor license before he could proceed with the plans. The village has a license available. The matter was referred to a committee for a report and recommendation at the April 19 meeting.

A bid on the paneling of the exterior walls of the council chamber, plus the lowering of the ceiling and a new heating unit was rejected because it was believed to be too high. Trustee Jack Batson was instructed to get new figures and a more definite plan of the work to be done for presentation at next week's session.

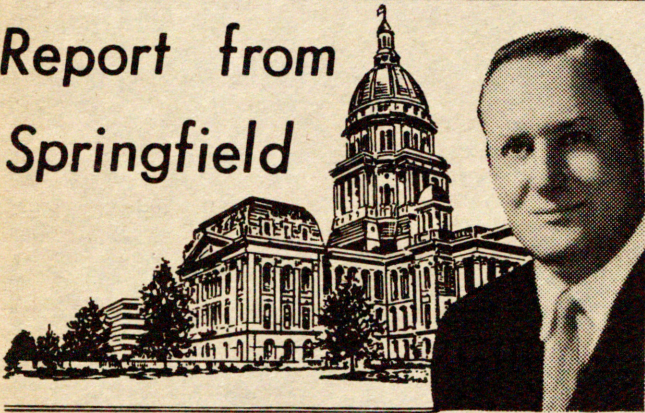

The council chamber is in what was originally built as a village garage. It is cold in the winter and it was believed the paneling and the lowering of the ceiling make it easier to heat. A suggestion was made that a wooden floor at a raised level above the tile covered concrete floor would also help. The present heating unit, it was said, could be utilized in the proposed new garage. It is rather noisy and when going full blast conversation is difficult.

A resolution was adopted making some transfer of funds between village accounts that would permit retiring some \$25,000 in the third series of sewer bonds. This proposal, which has approval of the village auditors, would result in an annual saving of some \$2,400 in interest and other charges, it was explained.

Dwight Egle, of the New Lenox State Bank, asked for some relief from the practice of truck drivers to park their huge vehicles in front of the bank. He pointed out that this parking made it difficult for bank patrons to get in and out of the parking lot at times. He believed diagonal parking would erase the problem. The lock-out by interstate trucking companies plus the fact that some of the lines have been struck was taking care of the problem this week.

The village has been informed by the state that it must prepare to chlorinate the effluent from the sewage disposal plant.

Report from Springfield

by William G. Barr.

Representative, 41st District

BY WILLIAM G. BARR

Most of us are concerned with the increasing encroachment of the federal government into areas which should properly be the responsibility of the state. Primary reason for this increased federal intrusion is the inability of state governments to provide the funds necessary to respond to the needs of the people. As a result, Washington has been able to step in, bringing with it the controls that always go with federal aid.

One example of our own state's failure to provide needed funds is found in its aid to education. National average for state aid to education is 39 per cent. In Illinois, 22 per cent of the educational budget is provided by the state, and 6 per cent by the federal government. The balance - 75 per cent is provided locally thru property taxes.

It is easy to see why the already overburdened homeowners of our state frequently defeat referendums involving bond issues for education. Just as obvious is the opportunity this provides the federal government to move in with the "helping hand" of more federal aid.

During the two-year period ending June 30, 1967, Illinois will have spent approximately 4.2 billion dollars. For the biennium July 1, 1967 - June 30, 1969, we will spend in excess of 5 billion dollars. Present legislature will naturally consider the possibilities of increasing the sales tax, gasoline tax, cigarette tax, etc., in order to finance these expenditures, and some method of increasing revenue within this framework will probably be enacted. But what Illinois, and many other states, needs is a modernization of its tax structure which provides a broadened state revenue system.

There are a number of ways in which our state could increase its revenues. Among them are:

1. A state income tax, either flat or graduated;

While some doubt the constitutionality of this approach, most authorities hold the view that either form would be approved by the courts. Each one percent of a tax on the income of individuals, with the same exemptions as permitted under the federal income tax,

would yield \$175 million per year.

2. A state corporate franchise tax, measured by income;

With taxable income as determined under the federal income tax as a base, each one percent would provide \$50 million per year.

3. An expanded occupation tax system;

Sales and use tax revenues could be increased by 60 per cent if they included all services. Present sales and use taxes only include the cost of goods used or consumed in the rendition of services. An expanded occupation tax could apply to the retail price of the services themselves.

In 1966, revenue to the state from sales and use taxes was \$678.5 million, plus \$86.2 million to municipalities and counties. An expanded occupation tax would increase revenue by approximately \$450 million.

4. Increased privilege taxes;

For example, the present tax on gasoline of 5 cents per gallon, one of the lowest in the United States. A 2 per cent per gallon increase would increase revenue by approximately 75 million dollars per year.

One or more of these methods will in all likelihood be considered and adopted by this session of the General Assembly, but I have serious reservations concerning their ability to adequately meet our financial requirements from a long range point of view.

Recently, Congress has discussed legislation which would require the federal government to return a percentage of the personal federal income tax to the states with "no strings attached" -- money that the state legislatures could use at their own discretion.

If five per cent of the personal federal income tax were returned to Illinois, nearly one billion dollars per year would be available.

Without question, the taxpayer would save money. In many areas there would be no need for large federal agencies to direct programs because they would no longer be a federal responsibility. State would have ample funds to finance programs to meet the needs of the people -- funds which would be used much more efficiently because Springfield is closer to the people of Illinois than Washington, D.C.

Derwinski Would Raise Earnings Of Pensioners

Congressman Ed Derwinski (R, 4th, Ill.) has introduced a bill to raise the limitation upon the amount of outside income which an individual may earn while receiving Social Security benefits from the present ceiling of \$1,500 annually to \$3,600 annually.

"Thousands of Americans must deplete their savings, sell their homes, and rely on relatives and private organizations because the present Social Security benefit and earnings limitations relegate them to a near poverty level existence," according to Derwinski.

Engineers add that when such ponds are landscaped and waterfowl waddle along the banks or paddle in the water the odors complained of disappear completely.

It has cost Frankfort about \$15,000 to build a polishing pond, according to figures given out at a recent meeting of the Frankfort village council, which does not include the price of the land. The land cost some \$9,000, the entire project costing some \$24,000.

to the Congressman. "While it is true that increased maximum benefits voted in recent years, combined with the present maximum earnings limitations, have provided some relief in this area, the high cost of living is here now, and individuals presently living on fixed incomes are having great difficulty maintaining a fair standard of living.

"There are many instances where individuals are able to work, want to work and jobs are available to them", Derwinski continued, "but they must sharply curtail their working hours since possible earnings would exceed the unrealistic earning limitations. The present law tends to destroy the incentive through which this country has achieved its great strength and discourages many elder citizens who have valuable skills which can contribute materially to the economic well-being of this Nation. Certainly, these citizens should be encouraged, not frustrated, in the desire to use their full capabilities", he emphasized.

"I urge prompt passage of this legislation to remove the existing inequities and discriminatory practices penalizing those who are entitled to the benefits which they have earned after long years of contribution and sacrifice", Derwinski declared. "We continue to discuss ways and means of improving the lot of our elder citizens. This is one of the best ways to help those who wish to help themselves."

Name Eagle Swimmer On All-America Squad

Terry Brazel, Carl Sandburg High School senior, has been named to the All-America swimming squad because of his top time in 100-yd. butterfly competition.

Brazel is the fourth athlete from Sandburg to make All American, and is the first in swimming. Former football stars Ernie Sharpe and Neil Foley, and wrestler Al Bulow, were the others.

Terry's coach, Alan Gillberg, received word of the honor from headquarters in Detroit of the All American Committee of the National Interscholastic Swimming Coaches Association. Terry's time of 53.5 in district meet competition in the 100-yd. butterfly event qualified him for All America.

Gillberg described Brazel as a boy "who gave 150 per cent on anything I gave him to do. He drove himself toward quality times through quantity work. The boy's loaded with desire," the coach added.

Brazel holds school, pool, and Eagle varsity records in the 100-yd. butterfly, in the 200-yd. individual medley, and was also a member of the record setting medley relay team. Fifteen times this year, Terry won two events in the same meet.

Gillberg explained that Terry is a product of the age-group swimming program, beginning in his late elementary school years. As a high school sophomore, Terry placed in freestyle competition in the state meet. As a junior and senior he placed in the butterfly.

TERRY BRAZEL, ace Sandburg swimmer poised on starting block as his coaches Alan Gillberg, instructs in fine points of getting off to good start.

This summer, Terry will continue to train and keep in top shape. He may compete in the national Amateur Athletic Union's meet. In the fall, he will probably enroll at South Florida University in Tampa. Bob Grindy who was Terry's freshman coach at Sandburg, is swimming coach there.

Terry is active in the Sandburg Guard, is a four-year member of the Letterman's Club, the Blue Badge Corps (honorary school service organization), and was

an audio-visual aides worker. "Terry's an above-average student, and is in the upper quarter of his class," senior counselor Vern Hoermann said.

"All the kids have the same program, swim the same number of laps," Gillberg explained, "but Terry pushed himself, constantly striving for faster times in practice. He also worked hard to develop his strength through our weight lifting program."

Bochman, treasurer; Charles Vostry, Stanley Williams and Father Cecil Koop.

The officers, besides Chief Rust, are: William Haas, assistant chief; Fred Clark and Kenneth Warning, captains; Wesley Schultz, lieutenant, and Roy Koerner, chief engineer.

Will Cost \$15,000 To Have School Meet Safety Standards

The Frankfort Grade School Board is planning to spend approximately \$15,000 in the next three years for work on the school at Oregon and Hickory Sts. so that the building will meet the requirements set up by state law relative to safety for schools.

A recent survey of the property was made by the architectural firm of Norton and Hall, in compliance with the law, and the \$15,000 program was recommended.

Also the board plans to spend \$3,800 this summer to replace the old heating unit of the original school.

The board also authorized expenditure of \$64 for transistorized civil defense warning unit. This unit, to be

Area School Districts Elect Members To Boards

Light voting was reported in school elections in the Lincoln-Way High School District area.

In the high school election itself Dr. L.M. Webb, New Lenox, an incumbent was elected to one of the two three-year terms filled. Durward Fant, village treasurer of Mokena and a former member of the grade school board there, was the other candidate chosen.

Webb's vote was 703 while Fant polled 668. Fant nosed out George L. Preston, of New Lenox, an incumbent, by 21 votes. Preston's total was 647. William Schwab, whose mailing address is a Mokena rural route, finished fourth with 620 votes. The fifth candidate, Carl P. Schonwise, of New Lenox received 594 votes.

At New Lenox three board members were elected for three-year terms each. Two of them were incumbents, Harry Hobbs, who polled 381 votes, and Victor Miller with 323 votes. A newcomer to the board, Ronald Schaper, led the ticket with 422 votes. Finishing in fourth place, close up was Charles P.

Elliott with 313, just 10 votes short of Miller's total. The other candidate, Micheal Mark Crumley tallied 249 votes.

Mokena voters elected Norval Robinson, incumbent, James Tilsy and Charles Burkhardt Jr., to three year terms on the grade school District No. 159. Tilsy led with 387 votes. Burkhardt polled 374 votes and Robinson 352. There were three other candidates who finished as follows: James Fagan, 229; Gordon Holleman, 205 and William Cady, 199.

Mokena voters also again defeated a proposal to purchase a 20-acre site north of the present school property for future expansion. The board had asked approval of a \$54,000 bond issue to acquire the land but the proposal lost by four votes, 316 to 312. It is likely that the proposition will be submitted again, according to a board spokesman. Eventually, it was pointed out, the expected population increase will force the building of another school.

Only two candidates appeared on the ticket at Frankfort for the two three-

year terms open there. One of them, William R. Smith, was an incumbent. He received 124 votes. The newcomer, George N. Lytle, received 128 votes.

One incumbent, Charles Scheeler, was re-elected to the Ann Rutledge Board, Dist. 56-C last Saturday, for a three year term but two others, Robert White and Ferne Griggs failed. Griggs had 78 votes and White 69. The winners, besides Scheeler were Calmer Oas with 103 votes and Elwood Zitter with 85. Scheeler received the same number of votes as Zitter, 85. Another candidate, Richard Smith, polled 79 votes.

In Arbury Hills Dist. 161 election Joseph E. Farnham and Thomas Tanis were elected to three-year terms. Farnham received 66 votes and Tanis 65. Three sought two one-year terms and the two successful were Mrs. Mary Williamson, incumbent, and Frederick N. Larsen. Larsen polled 56 votes and Mrs. Williamson 40. The third candidate for the one-year term, George Peterson, received 39 votes.

2 School Posts Go To Independents In Districts 135, 230

The high school and grade school elections involving Orland Park had one thing in common this year--in each of them an independent candidate won.

It was Robert Gadt who won in the grade school election and Patrick B. Henry, who was the winner in the high school board contest.

This is the first time since the caucus idea was adopted to pick school board candidates some years ago that any non-caucus choices have won.

In the grade school election--Dist. 135, Gadt, who is on the faculty at Carl Sandburg High School and a member of the coaching staff, led the ticket with 293 votes. The other candidates elected, a caucus choice, was Harry Kaper, an incumbent.

Kaper polled 250 votes. The other caucus endorsed candidate, Joseph Schutte, received 157 votes. Both men were elected for three-year terms. Mitchell Nurczyk was elected to fill out an unexpired 1-year term. He received 296 votes. Robert Snodgrass who had been filling the seat thru appointment was not a candidate.

In the high school election--Dist. 230, Raymond Justice, a caucus candidate, led the ticket with 1,092 voters and another caucus choices, George Strobel, polled 1,084 votes. The third man elected--all were elected to three year terms--Henry, polled 884 votes. The caucus candidate defeated, Thomas J. Curtin, received 851 votes.

There is a high school caucus and a grade school caucus. These caucuses are made up of representatives of various organizations although there is a provision that a person can get on as a delegate by presenting a petition with 20 signatures. The Caucuses then proceed to select candidates for the school boards. They interview and screen these individuals and finally come up with their choices. The caucuses then proceed to circulate the nominating petitions for their candidates and support him in the election. This does not bar an independent from running but it makes it difficult for him because he is up against an opponent who has an organization in his corner.

Pupils Thank Donor

Members of the Orland Park Grade School Student Council has addressed a "thank-you" to the anonymous donors--members of an Orland family--of a cash gift of \$15,000 to the new junior high school.

The money will be used for furnishings and extras that will be needed but for which Dist. 135 did not have the money.

"All of the students of the new junior high will profit from your generous contribution," the Student Council stated. "The entire community of Orland Park will benefit from the new building. Your donation shows your faith in Orland Park students and the entire school system."

Dennis Aukerman, is president of the council; Tom Searls, vice president; Joe Marshall, treasurer; Kenneth Bernhardt, secretary, and Roger Gadt, Bob Yates, Sandy Liniewski, Linda Johnson, Jackie Crowhurst, Roxanne Rullman, Debbie Kettler and Stuart Gerrich, members. Mrs. D. J. Misk is the moderator.

Power Fails

Several area communities were without electric power for about an hour and 20 minutes Saturday night. At Orland Park there were a number of telephones also useless. The fire department put a portable generator to work at Orland.

Mokena, Frankfort, Palos and other sections in the area were without power.

Mokena Fire Dept. Will Observe 50th Birthday Saturday

The Mokena Volunteer Fire Department will observe its golden anniversary Saturday night (April 15) at a dinner in the St. Mary School gymnasium. Invitations have been sent to former firemen and village board members and from the number of acceptances received John Scarth, president of the department expects a capacity crowd.

James Marti, former mayor and a past president of the fire department, will serve as master of ceremonies, Paul Boecker, of the University of Illinois Extension Staff, is to be the principal speaker.

A history of the department will be given by Stanley Williams, also a past department president.

Fire Chief Robert Rust will introduce his officers, the members of the department and guest chiefs of neighboring departments.

The Mokena department was organized in 1917 with 30 active firemen on its muster roll. Today the number of firemen is the same but there is a vast difference in the kind and amount of equipment.

The first fire rig was a cart, pulled by the men, that carried 300 feet of hose, six rubber buckets, two red flags, two red lanterns and four white ones. The depart-

ment now has four trucks, radio equipped; an emergency unit with three inhalators; a rescue unit with saws and tools; a light truck and portable generator; smoke masks, smoke ejector, and thousands of feet of hose. It is a far cry from bucket brigade days, but the pay is the same now as it was 50 years ago--the satisfaction of helping a neighbor in trouble.

Dances, parties and many other endeavors were put on by the firemen, and this, plus gifts, enabled them to buy apparatus and equipment. Now the department has some aid thru taxes since the Mokena Fire Protection District was organized in 1961. But it is still necessary for the members to augment these funds thru their fund raising endeavors.

The wives, mothers and daughters who make up the Ladies Auxiliary also raise money thru various projects which they turn over to the department. Mrs. Harriet Newton is president of the Auxiliary Mrs. Carol Craig-mille, vice president; Mrs. Carol Rauch Jr., treasurer and Mrs. Phyllis Rust, secretary.

The board of the department is made up of John Scarth, president; Delbert Yunker, secretary; Kenneth

Two Sandburg Girls Compete For Natl. English Honors

Sandburg juniors, Theresa Colburn, Gretchen Merwin and Silvia Richardson will take tests this month for the national English awards program sponsored by the National Council of Teachers of English (NCTE). The nominees, selected by the English department, will take grammar, literature, and reading tests; submit themes and a biographical sketch, write an impromptu essay and get teachers' recommendations for the contest. The entries will be judged by state committees consisting of college and high school English teachers. From thousands of entrants across the country, about 400 winners and 400 runners-up will be selected. They will be notified in December. Their names will be sent to every U.S. college, governor, Congressman, and state school superintendent with the recommendations that these students receive scholarships. Sandburg's English department has entered students in the NCTE program for eight years and has had three runners-up: Debbie

Whittle, '67; Cathy Miesse, '65; and Pat Jaeger, '64.

Announces Pre-Tests At Nursing School

St. Joseph Hospital School of Nursing has announced that pre-entrance testing will be held April 15, beginning at 2:30 o'clock at the School of Nursing. Applicants are asked to use the Springfield Av. entrance to the school. To apply for testing one calls the Admissions Director, St. Joseph Hospital School of Nursing, 333 North Madison Street, telephone 725-7133. Students interested in entering the school in September of 1967 are encouraged to apply for application forms as soon as possible. One may obtain nursing literature, counseling service, or arrange for tours of the hospital and school, or health career programs by writing to either the school or the Community Relations office, it was explained.

Womens Society Sponsors Family Dinner April 13

MRS. KATHERINE HEISNER
Telephone: 469-5187

Today, Thursday, April 13, the Women's Society of the Christian Service of the Frankfort Methodist Church will serve an oven fried chicken dinner, all you can eat, served family style. Serving hours are 5, 6, and 7:00 p.m. Donations are adults, \$1.75 with reservations, \$2.00 at the door; \$1.00 for grade school students and 50¢ for preschoolers.

For reservations you may call: Mrs. Jake Hostert 469-5244, Mrs. James Walker 469-5433, Mrs. Robert Erdmann 485-6612, Mrs. Richard Klaser 312-747-3194.

As usual, the gift shop will be open at 4 o'clock and during the serving hours for your convenience. The articles in the gift shop are donated by members and friends of the church. They

are: pillow cases, towels, aprons, novelty articles, small plants and products of the hobbyists. All articles for the gift shop are gratefully received!

Proceeds from the supper and the gift shop are used by the Woman's Society of the Christian Service for various projects here at the church.

Miss Rita Schinkowski was honored at a shower on March 25, by Mrs. Donald French, Mrs. Howard Radatz, and Mrs. Wayne Larson at Mrs. French's home. Games were played and refreshments were served.

The annual Father-son banquet of the Good Shepherd Lutheran Church is scheduled for Sunday evening, April 16, at 6:30 p.m.

Mrs. Charles McMani-

men will preside at the business meeting when the American Legion Aux. members meet at the Veteran's Memorial Building this Thursday evening, April 13, at 8 p.m. Hostesses are Mrs. Glenn Burkett and Mrs. Charles McManimen.

The Woman's Club meeting is scheduled for Thursday evening, April 20, at 8 p.m. and will be held in the home of Mrs. Albert Krusemark at 225 Oak St. Mrs. Burton Briedert, the president, will conduct the business session. The committee of this meeting is Mrs. Don Freeh, chairman and co-hostesses Mrs. Geneva Grendheim, Mrs. Morris Gilliam, Mrs. Robert Burns, Mrs. Henry Mossell, Mrs. Albert Krusemark III, Mrs. Lynn Kohlhausen and Mrs. Lulu Briedert.

Mrs. Ruth Beck of the Post House Antique in Wilton Center will be the guest speaker. Mrs. Beck is a member of the Chicago Suburban Antique Assoc. Members are asked to bring an article

that may have an antique history.

The Women's Society of the Christian Service of the Frankfort Methodist Church will hold their next meeting on Tuesday, April 18, beginning at 8 p.m. in the Fellowship Hall. Mrs. Lillian Borg is the presiding officer of the business meeting. The program chairman is Mrs. Albert Swatek and the topic is "Living In The World Of Nations", and a film will be shown also. Hostesses are Mrs. Wendell Morrison, chairman, and co-chairmen are Mrs. Amanda Mark, Mrs. Katherine Heisner, and Mrs. Dan Hecht.

Ill. Bell Names New Manager At Lockport

Anton J. "Bud" Schager has been named manager of the Lockport area for the Illinois Bell Telephone Company. He replaces Kenneth E. Ratcliffe, who has been transferred to the company's headquarters office in Chicago.

As manager, Schager will be responsible for the business office operation in Lockport, which also serves

telephone customers in Bolingbrook, Channahon, Elwood, Frankfort, Hampton Park, Lemont, Manhattan, Minooka, Mokena, New Lenox, Plainfield, Plattville, Romeoville and Wilmington.

After attending Joliet Junior College and Marquette University, Schager joined the telephone company in 1957 as commercial representative in Harvey. Fol-

lowing a tour of duty with the U.S. Marine Corps, he served as commercial representative in Park Forest and communications consultant in Wheaton and Joliet.

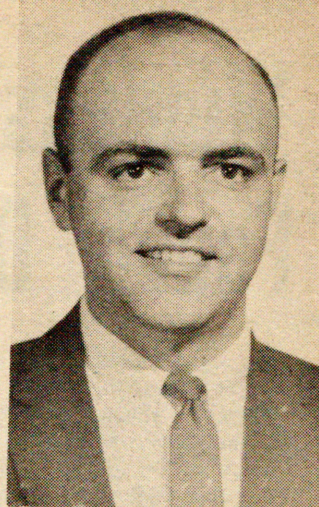

He was promoted to senior communications consultant in Joliet in 1961 and sales manager in Joliet in 1965. He served as assistant staff supervisor in the commercial department from August 1966 to March 1967.

Schager and his wife Patricia have three children: Leann, 6; Anton, Jr., 2; and Scott, 5 months.

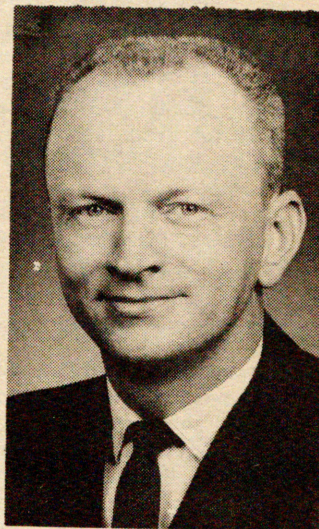

Ratcliffe has been manager here since August 1964. A 1952 graduate of Illinois College with a B.A. in economics, Ratcliffe began his telephone career in 1957 as a sales man in Champaign. He was promoted to assistant manager in Springfield in 1960 and served as assistant staff supervisor, staff supervisor and personnel staff supervisor in Springfield before coming to Lockport.

Ratcliffe is a member of the Lockport Moose Club and the Chambers of Commerce of Lemont, Mokena and Lockport. He is a member of the Des Plaines Valley Improvement Association and is a member of the board of directors of the Lockport Lions Club.

He and his wife, Margaret Ann, have two sons: Shawn, 9; and Kevin, 7.

hints for homeowners

BY: RICHARD DeLANO
ASSISTANT COOK COUNTY
FARM ADVISER IN
ORNAMENTAL
HORTICULTURE
AND FLORICULTURE

Since spring is about four weeks early, many folks with pruning shears are getting that itchy feeling. And true enough right now is the ideal time to prune most of our landscape shrubs. This is because there are still dormant. Pruning now will tend to force new growth in directions that will fill in thin areas of a shrub or cause rapid replacement of old wood.

Perhaps there are some exceptions to pruning shrubs at this time of year. For example, spring blooming shrubs such as forsythia and lilac are best pruned immediately after bloom. However, if you don't have the time later, you can prune even these shrubs now. All it means is that you will lose a part of this year's bloom.

The type of pruning that is done will have a marked effect on the final shape of the shrub. One recommended type of pruning is the "thinning out" method. Even though this is the best method, it is seldom seen or practiced. When a shrub is thinned, the branch stem or twigs are cut flush from the branch from which they develop; or cut to a lateral or side branch. In some cases, such as with large overgrown lilacs, thinning may involve cutting about a third of the old canes at ground level.

This type of pruning allows more light to enter the center of the shrub. Another advantage is that as much as one-third of the leaf area can be removed and the plant will still retain its original natural branching pattern.

The usual but incorrect type of pruning is "heading back". The only real place for this type of pruning is in landscape maintenance. Headback when trimming hedges or when formal shapes are desired. However, even hedges should be thinned out to ground level

if they are sparse at the base.

"Heading back" means cutting off a branch anywhere along its length. Such cutting will concentrate new growth just below the cut so it grows and develops an upright vertical manner.

The basic difference between these two types of pruning is this: "thinning out" allows new growth to continue on the stem on which a branch was cut off. On the other hand, when "heading back" the new growth can develop from a number of dormant buds just below the cut. These dormant buds produce a fish-tail effect of new growth which makes an undesirable appearance. Don't cut a stem at random, cut back to a branch. Then you will avoid this cluster of growth at the stem ends. You are always safe if you practice the thinning out technique when you prune flowering shrubs.

Schools and civic organizations should be making their plans for Arbor Day observances. This year it is Friday, April 28.

New Methods, Equipment Feature L-W Auto Course

A new course has been added to Lincoln-Way High School's curriculum this year, a 20th century Auto Shop.

The course is designed to

teach students from a practical rather than historical viewpoint. The development of the car from its early beginnings is by-passed for more useful instruction, that of actual car mechanics.

"We have broken away from traditional methods of teaching Auto Shop," explains Mr. Mel Oard, the new instructor. "Some of the students, after just a four-week period, have completely disassembled and re-assembled a V-8 cylinder engine."

Students are provided with the finest equipment available. Many of the tests and much of the work are accom-

plished through the aid of new electronic auto testing equipment. Students follow exact garage procedures in their everyday work, procedures closely associated with industry as well as the classroom situation.

Examples of the important teaching aids provided include a distributor tester and stimulator, electronic engine tester and stimulator, alternator tester, and complete line of equipment for necessary mechanical work.

Value to the student - now and later - is one of the main objectives of the new course.

NEW JUNIOR COLLEGE BOARD 525

Farmer, business man and family man. Active in civic, church and school affairs. Familiar with school board procedure. Member of boards during building program and land acquisition. Being self-employed, I have time to do necessary "leg work" where answers aren't available by any other method.

I have selected this question-answer series to make known my personal opinions.

What specific accomplishments should School Board 525 complete by next September?

To what extent do you feel District 525 is committed to contractual agreements reached in District 204?

District 525 will have it's own Administrator, Board of Directors and Faculty and should have complete freedom in working out a new contract agreement. They should under no circumstances be committed to contractual agreements reached in District 204.

Arbury Hills

Parents Urged To Register Kindergarten Age Children

MRS. EDWARD HOVI
Telephone: 479-5740

There will be the registration for the Summit Hill School District Number 161, for those children who will enter either kindergarten or first grade in the fall.

In order to be eligible to attend a child must reside within the Summit Hill School District, and have reached the age of five by Dec. 1 for kindergarten and the age of six by Dec. 1 for first grade.

Registration will take place at the school on Wednesday morning, April 26, from 10:00 a.m. until 11:30 a.m. The mothers are requested to bring a state birth certificate as proof of age at registration. Mothers should also feel free to bring the child along to familiarize himself to an extent with

school surroundings.

Parents should go to the all-purpose room with their child and fill out the information slips. It is hoped that the county nurse will be present to explain the procedures for medical and dental acceptance into school, and Mr. Avila, the superintendent of the school, will explain any additional school requirements for acceptance.

The Arbury Hills School is entered in the wrestling tournament this year and have made a good showing to date with the team defeating St. Ray's of Joliet and St. Mary's of Mokena. Included in the winning team were: Danny Doogan, Russell Dickerson, Larry Larsen, Stan Paskey, and Joseph Mangan.

Our school is justly proud of their representative to the sectional spelling contest at Manhattan last week. Young Al Behnke, who is in sixth grade, was the representative. He showed himself well in stiff competition, but unfortunately, did not number among those continuing in the contest.

The teachers are still attending the reading workshop in Frankfort, and with the completion of the marking period, there will be a re-evaluation of the students.

Because of the time and effort put into the placement of the children upon the opening of the reading program, do not expect wholesale shuffling of the youngsters.

Prior to the original placement of the child every student was individually considered on the basis of test scores, the knowledge of each teacher of the child, and prior reading capabilities. The basic objective of the reading program is the enrichment of the student.

Teacher recruitment for the 1967-68 school year is now in progress, with the majority of the teachers being retained.

There are two activities planned for the month of May. There is an Athletic Show on May 5 and an Operetta on May 19. There will more later on these.

The Summit Hill Parent-Teacher Group will hold their April Election Meeting at the school tonight, Thursday, April 13, beginning at 8:00 p.m.

Following the business meeting and the elections, there will be a science demonstration of the science projects exhibited by the students of the school. Mr. McCarthy, science teacher for the sixth through eighth grades, and the seventh grade home room teacher, will conduct the demonstration and explanations.

Stagg Nine To Play At Tinley

A doubleheader Saturday, April 15, at Tinley Park is the next challenge for the Stagg Chargers. Coach Ken Niebriegge's squad takes the field at 10 a.m.

Stagg lost the first four games this year. Evergreen Park won 1-0 when Klis hit a triple, then came in on a freak play where on a passed ball, the catcher could not make a play because the ball had been kicked under the backstop. Five pitchers combined to no-hit Stagg, but Evergreen only got one hit in seven innings.

On April 6, Stagg lost 5-0 to Oak Lawn. Playing a doubleheader with Bradley April 8, the Chargers lost 3-2 and 6-4.

Rod Stanis was the loser on an error. He pitched a three-hitter, striking out nine and walking three. Bill School threw a seven hitter, striking out six and walking four.

Catcher Bob Thyer slugged a homerun in the second game against Bradley. John Ryan helped Stagg's cause with a single that drove in two runs.

The next movie to be shown through the sponsorship of the Parent-Teacher Group will be held at the school on Saturday afternoon, April 22, beginning at 1:00 p.m. and lasting approximately two hours.

The movie to be shown will be "The Seven Faces of Dr. Lao". During the movie there will be refreshments sold at the usual prices. Admission to the movie will be fifty cents per person, regardless of age, all pre-school age children must be accompanied by a responsible person, parent or older brother or sister.

The eighth grade class will sponsor a bake sale in the school on Saturday morning, April 15, beginning at 10:00 a.m. and continuing until everything is sold. The proceeds from the bake sales this year are to help defray the cost of the annual graduation trip to Springfield.

There will be an election of members of the newly formed Junior College Board. There are to be seven persons elected with a minimum of two being from unincorporated areas.

The election will be held at the school on Saturday afternoon, April 15, from 12 noon until 7:00 p.m. All registered voters within the district are eligible to vote.

The First Nighters held their April meeting at the home of Mrs. Harold Mash-

meyer on Rosewood Lane on Thursday evening, April 6.

The winner of the hostesses prize was Mrs. Mary Bucher and the next meeting of the group will be held at the home of Mrs. Betty Sipin on Birch Avenue on Thursday evening May 4, beginning at 8:00 p.m.

The Cadette Girl Scouts recently attended the Flower Show held at the Amphitheatre in Chicago, and had a swimming party at Castle Acres with Mrs. Marge Sheedy again acting as official life guard. A pair of gold plated water wings to Mrs. Sheedy to express appreciation for her giving up an evening to help out.

Ladies, how do you feel about being a Girl Scout Co-Leader? There will be a need for leaders from the Brownie Scout age on up through Junior Scouts. The leadership will remain the same to complete the term, but there will be an urgent need for co-leaders in the fall.

Spring Clean-up Planned For Area

JAMES PEYTON
Telephone: 532-1516

Spring is here and clean-up time should be first and foremost in the minds of all of us, so, lets get out and get started cleaning up and making our little neighborhood as pleasant as possible a place to look at as we can. This will also benefit the community when prospective buyers are shown through the area. Also this next week end we would like to start working on the playground and repairing the entrance signs, planting grass seed on the playground, repair bus shelters, pour concrete around the bus shelters and install our light posts on the playground, etc. All male help will be greatly appreciated.

Mrs. Gladys B. Peyton of Ethyl Lane probably received the best birthday present possible when she received a message from our son James H. Peyton Jr. (Howie) from Okinawa via MARS (Military Air Relay System). This message was picked up and forwarded by Mr. Haas at the Tinley Park Rock Island Station on his receiving set. Thanks to Mr. Haas for making Beckies birthday just a little bit better.

Mr. and Mrs. Thomas Summer of Ethyl Lane spent the weekend at the home of her parents Mr. and Mrs. Joseph Smallwood near Indianapolis, Indiana and were pleasantly surprised to find about twenty other relatives (mostly from the Springfield, Ohio area) with the same idea. On their return home

they stopped at Attica, Ind. to visit with Vicki's sister.

The turnout for voting and the registration of new voters has apparently reached a new low as the total vote on the school board election Saturday was less than 25% of the possible vote. My final word to you who didn't vote is "Don't complain about your school board as you elected these members by staying home and not voting."

The Girls Bowling Standings are as follows:
High Team #2 - 1091;
High Game - Pat Kalas - 149; High Series - Rosemary Johnson - 394.
Team #2 - Lucky Strikers; Team #1 - Spares; Team #3 - Three Pins; Team #4 - Questionmarks.

A bake sale and white elephant sale is being planned for early in June with Bonnie Schultz and Vicki Sumner as Co-Chairman.

Your phone will get a new dial tone Sunday

The telephone dial tone gets a deeper voice Sunday. This new sound won't affect your calling.

We have to change the dial tone to offer you new TOUCH-TONE® calling which starts April 17 in the Palos-Orland-Worth area for customers whose numbers begin with 448, 349, GI 8, or FI 9.

TOUCH-TONE service is push-button phoning! You tap out your numbers instead of dialing. It's twice as fast as dialing, easier, and a lot of fun.

There are five new streamlined TOUCH-TONE models available for your home.

New ease in phoning, attractive styles, decorator colors—that's what the new sound in town is all about.

If you have any questions about TOUCH-TONE service, just call your Illinois Bell Service Representative at 349-9981.

Blue Island, Sandburg Duel Today

Blue Island and Sandburg trackmen duel today (Thursday) on the Eagle track at 4 p.m. Friday's meet with Hillcrest is also at Sandburg at 4.

The Sandburg track team split two dual meets last week, dropping the first one to Tinley Park, 67-60, but

emerging victorious against Hinsdale South, 90-36.

In the Tinley meet, Tom Pitchman won the high and low hurdles; Tom Johnson won the 440 yd. dash and the pole vault; Ed Zeman, the mile run; Bill Reeves, the 2 mile run; and Chuck Jaeger won the shot put event. Tom Johnson was high point man.

Individual winners on the frosh-soph, level were Tor-bik, high and low hurdles, broad jump; Hoffman, 100 and 220 yd. dashes; Meager, mile run; and Navarro, shot put. Jelonek won the discus; Elias, the pole vault; Novak, the mile run; and the 880 yd. relay also won.

Last Friday, April 7, the varsity squad beat Hinsdale South by a score of 90-36. Winners contributing to the

victory were Hedeed in the 880; Johnson in the high jump; Pickman, the low hurdles; and Taber in the high hurdles and broad jump. Also winning were Jaeger,

the shot and discus; Sheehan, the pole vault; and both the 880 yd. and mile relay teams won.

The Eagle sophomores lost 68-58.

Senior Citizens To Have Hobby Show

Free admission, free refreshments and free souvenirs await the 1,500 visitors expected at the senior citizens hobby show on May 6 and 7.

The Council of Community Service Organizations hobby show committee met on March 31 and made plans and committee assignments. The show will again be at the Louise Wolfe Recreation Center at 15 South Richards

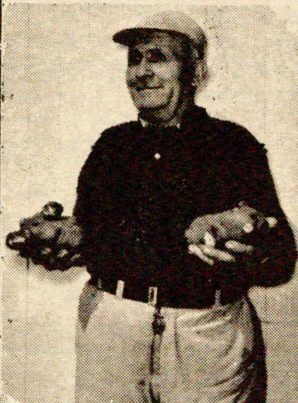

St. in Joliet. More than 50 hobbyists have already registered for the show.

The seven senior citizens clubs, the retirement homes of the area, and American Nursing Center are co-sponsoring the show. Each will have a booth and several will have someone doing craftwork during the show. Red Cross is being asked to set up a first aid station, and the Girl Scouts have arranged to provide assistance with the guest book, information and the souvenirs.

The senior citizens hobby show is held in May as part of Senior Citizens Month, which has been observed nationally for the past five years. Another Major event during the month will be open house on May 14th at Riverside Center—the high rise apartment building for senior citizens.

Harold Whiteside, chairman of the committee, says that space assignment will be made to senior citizens according to the dates registrations are received. He also emphasized that sales of articles of any kind will not be permitted at the show. He hopes to make arrangements for downtown facilities for those who wish to sell their craftwork.

LET THE RECORDS SPEAK

W. (JOE) HENELY

ANTHONY F. KOZAK

HENRY L. MOOREHOUSE

During the past two years the present administration has been busy.

The three incumbents who are seeking election, along with the rest of the Village Board have put in many hours of their time to accomplish the many things that have been done.

These three men, W. Joe Henely, Anthony F. Kozak and Henry Moorehouse, who are seeking election have the ability, the desire, and the willingness to do their very best for our village.

The present board has acquired five acres of land, without cost to the village. These five acres have been improved and will be used as a park site. Many happy hours have already been spent at this park the past winter by our youngsters coasting and ice skating.

Fifteen of the twenty two acres of land owned by the village in Fairway Estates has already been improved and will be used as a park site.

Work has already begun to install a new storm sewer line for drainage in Fairway Estates.

A new municipal building has been built and is free of debt. This building is being used to house the village maintenance trucks and one fire truck. It is also used as a meeting place for many of our local organizations.

A comprehensive program of planning for the future inevitable growth of the village has been commenced through the State of Illinois Department of Business and Economic Development and the United States Government.

These are just a few of the many things that have been accomplished in the past two years.

As your Village President I would urge the voters of Orland Park to get out and vote on April 18, 1967, to retain these experienced leaders.

Melvin H. Doogan,
Village President

LISTENING TO the lower-pitched dial tone -- which will replace the present dial tone in the Palos-Orland-Worth area on Sunday, April 16 -- are Miss Linda Becatti, (left), and Mrs. Florence Coley, both residents of Worth and service representatives in Illinois Bell's Blue Island business office. The change is necessary prior to the introduction of Touch-Tone telephoning on Monday, April 17. The new Trimline phone shown here features a Touch-Tone keyboard in the handset. Touch-Tone, they say, is faster than dialing - no spin-back.

New Lenox

Kindergarten Registration To Be April 20 At Oakview

MRS. DOLORES ANDERSON
Telephone: 485-2365

The kindergarten roundup registration will be held for parents of children who are eligible to attend kindergarten in the New Lenox School District 122 in the 1967-68 school year on Thursday, April 20, 1967 at 7:30 p.m. at the Oakview School Gym.

To be eligible to attend kindergarten next fall, a child must be five years old on or before Dec. 1, 1967.

Parents who have a child eligible to attend kindergarten are urged to attend this meeting, and bring birth certificates or proof of birth date. Parents are asked not to bring children to the roundup unless it is absolutely necessary.

At this time health forms will be distributed to parents so that they can have the required physical and dental examinations completed before school begins. All health forms must be turned into the Oakview Office on or before the first day of school in order for a child

to be eligible to attend kindergarten.

Sixteen Oakview students participated in the Illinois Elementary School Association District Art Contest in Mokena, Saturday, April 1, at the Carpenter Street School. Ratings were as follows: Figure Drawing, Charcoal: Mark Senacal, 1st; Greg Miller, 1st; Water Color Drawing: David Young, 1st; Bob Smothers, 1st; Sculpture - Pottery Clay: Dawn Duha, 1st; Debbie Seyb, 1st; and Mike Wadsworth, 2nd.

Still Life in Pastels: Paula Luke, 1st; Jane Krohn, 1st; Claire Murphy, 1st; Margo Page, 1st; Marsha Kerr, 1st; Michele Harl, 1st; Laura Kozlowski, 1st; Bill Steen, 1st; and Lee Erickson, 1st.

Drawings had to be completed in one hour in front of on the scene judges without teacher present in room. All first ratings are eligible to go to the State contest.

The Home - Art Club will meet Wednesday, April 19,

at the home of Mrs. Doris Storz, 134 Hawthorn street. Mrs. Nelda Simmons, co-hostess. There will be a Box Luncheon at 12:00, and games will be played during the afternoon.

Plans will also be made for the annual Spring Luncheon to be held in May.

PTO Board Meeting will be held Monday night, May 1, at 7:30 in the Oakview school Library.

The annual Mother - Daughter Banquet date has been set for Tuesday, May 2, and will be held in the Fellowship hall of the Methodist church at 6:30 p.m. All Circles of the church will participate. The program for the evening will be a Bridal Parade. All Women of the church who wish to model their wedding gown, are asked to contact Mrs. Kenneth Schofield, at 485-6694. Reservations can be made by calling ticket chairman, Mrs. James Campbell 485-8243.

The Deborah Circle of the Methodist church will meet Tuesday, April 18, at the home of Mrs. Kenneth Schofield, 226 W. Woodlawn street, at 8 p.m. Topic for the evening will be a discussion on the future of the Camp Grounds. Co-hostess will be Mrs. Lawrence Carlson.

There will be no meeting of the Lincoln Lassies Homemakers Unit in April, due to the annual County meeting. Plans are being made by the group for a Bakery sale to be held Saturday, May 20, at the New Lenox State Bank, from 9 to 12 o'clock. Mrs. Harry Gougar and Mrs. Ed Johnson will be chairmen in charge.

An Open House Celebration will be held on Sunday, April 16, at the home of Mr. and Mrs. E.J. Lubway 220 W. Francis road. The occasion will be in celebration of the Silver and Golden Wedding Anniversaries, of both, the Lubways, and Mrs. Lubways parents,

Mr. and Mrs. Harry Levitus, also of New Lenox.

The Levitus' were married fifty years ago, April 17th.

Mr. and Mrs. Lubway were married 25 years ago at St. Henry's Church in Chicago, on April 18.

Invitations have been issued to all relatives, but all friends are invited to attend.

Trinity Lutheran Church Chancel Guild will sponsor a Rummage Sale in the basement of the church Friday April 28 from 9 a.m. to 2 p.m.

The New Lenox Methodist Church Couples Club will enjoy an evening of Bowling on Saturday night, April 15, at the New Lenox Bowling Lanes, at 8 p.m. Reservations must be called in by April 14, to Mrs. Gary Pyle, 485-6388.

The Martha Circle of the Methodist Church will sponsor a Breakfast and Book Review Thursday, April 27, at 9:30 a.m., in Fellowship hall. Tickets will be \$1 and Mrs. Gladys Brown of Joliet will give the Review. Mrs. Hazel Francis and Mrs. Dorothy Francis will be in charge of the program. A baby sitter will be available.

The general meeting of the WSCS of the Methodist church will be held Wednesday, April 19, at 1 p.m. in Fellowship hall. Program will be given by Mrs. Willard Burger of Glen Ellyn, district president of the WSCS, and will be a film strip on the meeting last summer of the 7th Assembly of the WSCS in Portland, Oregon. Devotions will be given by Mrs. Lawrence Nordwall, and Hostesses will be Mrs. Earl Dent and Mrs. William Kodat.

Mrs. Dorothy Deline, North Cedar road, Route 1, New Lenox, is a medical patient at St. Lukes Presbyterian hospital in Chicago, where she will undergo heart surgery soon. She will be confined for several weeks at the hospital and would like to hear from her friends. Her address is, 1753 West Congress Parkway, Chicago, Room 801B.

The MYF of the New Lenox Methodist Church will sponsor a dinner Wednesday, April 19, in Fellowship hall of the church at 5:30-7 p.m. Chili, hot dogs and chili dogs will be on the menu, and donation will be \$1. Proceeds will be used to send three boys of the MYF to Mexico for church work.

Mr. and Mrs. Robert McCleary have returned home from a weeks vacation spent in St. Petersburg, Fla., where they visited with his mother, Mr. and Mrs. Art Osmus, formerly of New Lenox.

The PTO of the New Lenox Schools will sponsor a colored Movie Saturday April 29th from 1 to 3 p.m. The film "Everything Ducky" will be shown at Haven school gym. Donation will be 35¢.

Mr. and Mrs. Thomas Rudin, 153 Wallace Street, entertained Saturday night

in their Recreation room, at a "Las Vegas" party. 38 guests were invited to the party, which featured the games of Roulette, Wheel of Chance, Chuck-O-Luck, and Black Jack. Refreshments were served.

The party was fashioned after "Harolds Club" in Reno, Nev., and several of the decorations were sent to the Rudins from Harolds Club in Reno, to give their parties the gambling atmosphere.

Grace Episcopal Church Women will have their annual Volunteers Day Thursday, April 13. Members will meet at Silver Cross hospital at 9 a.m. where they will sew for the day.

Episcopal Couples club will enjoy the evening at Shakeys in Joliet Saturday night, April 15, leaving the church at 8 p.m.

The New Lenox Hayshakers 4-H Club met March 21, at 6:30, with 20 families enjoying a family pot luck supper.

The meeting was opened by the President David Ebert. Announcements of the following events was made:

Spring cleanup. Buy a new electric range and get the wiring free.

(If you buy one with a self-cleaning oven you'll really clean up.)

It's a hard deal to beat.

You buy a new electric range—the necessary wiring will be installed free.

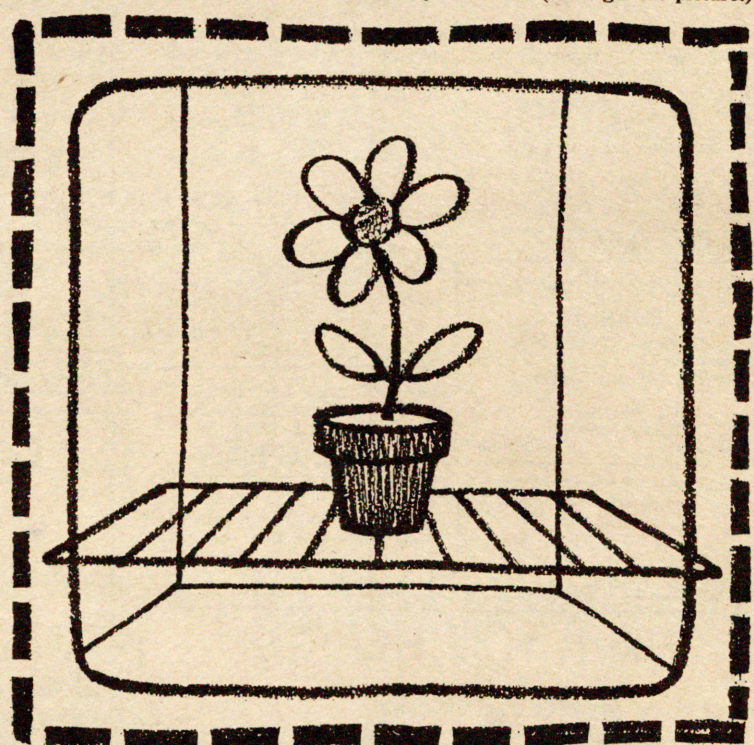

This offer can save you over \$100. (And you can add other heavy-duty appliances later.)

Make your new range one with a self-cleaning oven (if you want) and save even more. Because the new self-cleaning oven does a better job with about 8¢-worth of electricity than you could with a whole can of oven cleaner. Not to mention the savings in time and scrubbing.

So if you like saving money, see the modern electric ranges at your dealer's now. And take a particular look at the self-cleaning oven.

Commonwealth Edison Company

Cut out for your appliance store. Take me to your dealer. (He'll get the picture.)

FREE INSTALLATION OFFER. Now you can install a new electric range and get the wiring free. This offer applies, for a limited time only, to a standard wiring installation for a new electric range in any single-family dwelling or, for all new electric ranges in a two or three-apartment building served by Commonwealth Edison.

SATISFACTION GUARANTEED. If within 60 days you are not completely satisfied with your new electric range, Commonwealth Edison guarantees full refund of your purchase price. See your dealer for details.

The bright new ideas are Electric.
